Productgroup	Product	Details/specifications	Qty in set	Price per unit individual	Picture - type / colour can be different
2)MOTOR INBOARD Product code 124 <input type="text" value="Quantity to order"/>	Inboard electric AC Motor 96 V DC 130 KW max with remote control & digital controller / water cooled	IEC 132 size for 13 inch propellers without the need of reduction gear box for motor boats to 4 t 25 KW nominal output at 100 NM		\$ 15,800.00	
2)MOTOR INBOARD Product code 126 <input type="text" value="Quantity to order"/>	KR WA 6.0 - electric inboard engine AC induction motor / air cooled 6 KW 48 V DC- 44 kg	incl. Battery fuse, battery monitor, main switch, cables, throttle shift I for motor and sail boats upto 7.5 t	Available 4-10 KW	\$ 7,900.00	
2)MOTOR INBOARD Product code 125 <input type="text" value="Quantity to order"/>	KR WAD 4.0 - electric inboard engine AC induction motor direct drive / air cooled 4 KW 48V - 35 kg	incl. Battery fuse, battery monitor, main switch, cables, throttle shift I for motor boats	Available 2-6 KW	\$ 6,750.00	
2)MOTOR INBOARD Product code 127 <input type="text" value="Quantity to order"/>	KR WAZ 10.0 - electric inboard engine AC induction motor / air cooled 10 KW 96 V DC- 74 kg	incl. Battery fuse, battery monitor, main switch, cables, throttle shift I for motor and sail boats upto 10 t	Available 6-50 KW	\$ 11,900.00	

Prices for the large motor include transport to anywhere in Australia. For New Zealand add 3% for transport costs.

Productgroup	Product	Details/specifications		Qty in set	Price per unit individual	Picture - type / colour can be different
4)BATTERY Product code 107 <input type="text" value="Quantity to order"/>	8.2 KW H - Battery box - LIFEP04 51.2 V/ 16 cells 160 Ah / ready to go!	Includes BMS, battery display, safety switch, main fuse, plug to engine, DCDC for 12 V supply, charger 240 V AC	All in acrylic box		\$ 5,900.00	
4)BATTERY Product code 37 <input type="text" value="Quantity to order"/>	Acrylic board 200 x 200 x 8 mm for fixing switch and fuse	Fuse and main switch to be installed at a dry place on the boat. The main switch should be accessible by the operator at all times!		1	\$ 20.00	
4)BATTERY Product code 4 <input type="text" value="Quantity to order"/>	Battery 100 Ah AGM/deep cycle (or 2 x 50 Ah deepcycle instead)	lead acid battery 100 Ah / 12 V nominal / Absorbed Glass Matt Deep Cycle battery - 24 month warranty	100 Ah / 12 V / 330 x 172 x 215 mm / 31 kgs / 1400 cycles / 6-8 years / 25 A max. charge - see datasheet & battery. maintenance document. Do not put loose in hull. Place batteries balanced in hull and check capacity of the boat!	4	\$ 450.00	
4)BATTERY Product code 10 <input type="text" value="Quantity to order"/>	Battery Box for lead acid batteries.	Polypropylene Battery Box to hold battery secure including strap. Suits 100 Ah/12 V lead acid battery (340 x 190 x 265 mm) or LIFEP04 blocks.	To be fixed in the boat with silikone / suitable screws or straps (100 kg min. capacity). Do not put loose in hull. Place batteries balanced in hull and check capacity of the boat!	4	\$ 25.00
